In January 2011, we welcomed Victoria Shaskan to the new post of Company Manager, supporting Artistic Director Helen Stanley. We also welcomed Gabby Ojeda Triulzi to our Advisory Board. As a financial actuary, her skills will be invaluable.

Extra space and change of use of Town Hall Chambers has given us our own entrance and dedicated space in the building. Thanks to the London Borough of Lewisham (LBL), the Arts Service and Pat Merry (LBL security) for their support. Our website is nearing completion thanks to Salesforce.com who are donating the development costs.

**OUR AIMS LOOKING AHEAD**

- To appoint a dedicated worker to head up our work with those young people over 14 not in education employment or training.
- To build links with further and higher education establishments.
- To secure longer-term funding to ensure our annual programme can develop and increase.
- To build on our under 8s work, storytelling and children's theatre and look to work more on in-school projects with all ages.
- To keep working with our community to create new innovative exciting projects.
