

# ABOUT TIME TO ACT

After what felt like a lifetime on Zoom, our participants wanted to create new, live theatre that investigated what they can do to make a difference. What's resulted is 3 work-in progress performances that take a deep look at problems young people face today and what we can do about it.

## WHAT'S COMING UP NEXT?

### August 6th : 'Confession' 6pm

The Senior Acting Company present at Climate Home, Deptford

### August 15th to 19th: 'Future Makers' 10am to 4pm

Theatre Centre will be running a FREE week of workshops at LYT for ages 14+. The week will build your creative skills, nurture your artistic ideas & connect with professional artists

### September 13th: FRANTIC IGNITION 6 to 7.30pm

Frantic Assembly's Ignition is a nationwide talent development programme, seeking out underrepresented talent in unexpected places. Frantic will deliver a taster workshop for all young people aged 16 to 24.

*TIME TO ACT is part of our Youth Voices season, placing young people's creativity at the centre. We will continue to develop 'Confession' in the Autumn. We'd love to hear your feedback on the style and content! Please feel in a feedback form before you leave.*
